

## The Coalition for Behavioral Health, Inc.

### **Affiliate Membership Benefits**

As an Affiliate Membership, your organization would be kept up to date on the issues and concerns that are of greatest importance to the community-based behavioral health sector. The benefits of Affiliate Membership consist of:

1. Attending Coalition meetings, workshops and seminars
2. Receiving membership mailings
3. Eligibility for member only discounts for conferences and purchases
4. Access to Coalition Senior Staff to discuss high priority issues
5. Being listed on the Coalition website as an Affiliate Member accompanied by a brief description and link to your website
6. Receiving a 33% discount on the package of opportunities related to the Annual Conference including a table top vendor display, access to the attendee contact list, and the ability to make a special presentation, demonstration or webinar to Coalition members at a later date

The Affiliate Member dues rate is \$5,000 per annum (July – June).

### **Premium Affiliate Membership Benefits**

All of the above, including:

7. A Premium Affiliate Member listing on the Coalition website
8. A 50% discount on Annual Conference attendance and/or vendor display table, positioned in prime location.
9. Three presentations, demonstrations or webinars to Coalition membership during the year.

The Premium Affiliate Member dues rate is \$10,000 per annum (July – June).

We invite you to visit our website, [www.coalitionny.org](http://www.coalitionny.org), which contains recent issues of The Coalition's widely read Briefs, a bi-monthly publication for our members and the community at large, our policy positions and trainings offered through our Professional Learning Center and our Center for Rehabilitation and Recovery.
